

WAVENEY FOODBANK is still operating on a Wednesday morning at St Mary's church at 10.30am for a short period for people in genuine need. Please be prepared to give your name and full address and you will be served. You may be asked for ID.

A **Delivery Service** is available for those in isolation.

To request a delivery please contact pam@waveney.foodbank.org.uk ring 01502 471763.

It is vital that you give:

your name and address with post code, a contact phone number and the number of people you need food for.

We will do our best to make sure you are given food.

The Foodbank would like to say how grateful they are for the many donations of food from shops, pubs and individuals to help us through this time and also for the money sent in by many individuals who are isolated at home too. Thank you everyone. And well done all our volunteers manning the local foodbank, delivering, and our very stretched warehouse staff.
